

SANCTUARY GRACE MINISTRY

The Names & Attributes *of God*

שמות האל

Twenty-eight names of the Father, the Son, and the Holy Spirit, each with its meaning and a prayer to pray it back to Him.

BEFORE YOU BEGIN

He Told Us His Name

God did not leave Himself unnamed. Every name He revealed answers a real need. Provider when there is lack. Healer when there is a wound. Shepherd when the path is dark.

Each page holds one name: how to say it, what it means, why it matters, and a short prayer. The gold word at the center of each page is the name as it stands in the original language of Scripture: Hebrew for most, Greek where the New Testament gives the word first.

The Hebrew for the Old Testament names comes from the Hebrew Bible itself. For New Testament titles, it comes from the Delitzsch Hebrew New Testament, the classic Hebrew translation of the Greek text. Where a common spelling differs from what the verse actually says, the page tells you.

Read one name a day. Say it out loud. Pray it back to Him.
